Scholarships per Agreement (Referential 2015)

“Ilustre Municipalidad de Santiago” scholarship of academic excellence

Universidad Mayor awards a scholarship to students attending a school in the county of Santiago, and to the children of professionals who work in education at the Office of Education of the Municipality of Santiago, independently of the county where they attend school. These scholarships are for the majors given in the College of Education of Universidad Mayor. The discount cannot be combined with another discount or scholarship, whether it be an UM benefit or from another institution. The scholarships and benefits will only come into effect when the student enrolls and presents the respective institutional certificate of enrollment. The interested party should find out about the bases and requirements of each scholarship and hand in the corresponding documentation (a certificate attesting the right to benefit; credentials will not be accepted)

“CEPECH” scholarship

Universidad Mayor will give a 10% discount on the annual tuition fee (it excludes the enrollment fee and fees corresponding to the capstone experience) to degree candidates and/or graduates of Auditing and Business Administration (Associate’s Degree) from the Cepech Institute, who may continue their studies in the UM Business Management major. The discount cannot be combined with other discounts or scholarships the student could apply for, whether it be an UM benefit or from another institution.

The scholarships and benefits only become effective at the moment of registration and submitting the appropriate certificate of membership of the institution. The interested party should find out about the bases and requirements of each scholarship agreement and bring the required documents (a certificate attesting the right to benefit; credentials are not accepted).

“Carabineros de Chile” scholarship

Universidad Mayor will grant a 10% discount of the annual tuition fee (it excludes the enrollment fee and fees corresponding to the capstone experience) to staff of Carabineros of Chile, to their spouses and children in all the majors offered by Universidad Mayor, except for the majors in the College of Medicine and Dentistry.

The discount cannot be combined with other discounts or scholarships the student could apply for, whether it be an UM benefit or from another institution.

The scholarships and benefits only become effective at the moment of registration and submitting the appropriate certificate of membership of the institution. The interested party should find out about the bases and requirements of each scholarship agreement and bring the required documents (a certificate attesting the right to benefit; credentials are not accepted).

“Ejército de Chile” scholarship

Universidad Mayor will grant a 10% discount of the annual tuition fee (it excludes the enrollment fee and fees corresponding to the capstone experience) to Army personnel, their spouses, children and dependents, in all the majors offered by Universidad Mayor, except for the majors in the College of Medicine and Dentistry.

State-sponsored Loan for accredited universities

WHAT IS THE STATE-SPONSORED LOAN?

It is a benefit of the State given to students of high academic standards that need financial support to start or continue a major in one of the colleges that make up the State Sponsored Loan System (List at www.ingresa.cl)

WHAT IS IT?

It is a financial credit system, which is guaranteed by the institution of higher education in which the student is studying, and by the state, which will be the student's guarantee until the student has paid the credit in full, after graduating.

HOW IS IT PAID?

It is paid over 20 years. The student is not required to pay anything while studying and up to 18 months after graduation. In addition, the payment can be put on hold for up to one year in the event of unemployment or if the fee exceeds half of the student/cosigner's income.

REQUIREMENTS

1. Be Chilean or a foreigner with permanent residence in the country.
2. Socio-economic conditions of the family group that justify the granting of the benefit.
3. Be enrolled in an undergraduate program at an autonomous institution of higher education, accredited and that takes part in the State Sponsored Loan System.

The list of the Council of Rectors of Chilean Universities, private universities, professional institutes, technical training centers and military schools of the Armed Forces, which meet these requirements can be found at www.ingresa.cl

Not having completed a college-level major with funding from the University Credit Solidarity Fund and/or this credit. Academic merit requested by Universidad Mayor.

For a freshman: Average PSU score 2010 (Language and Mathematics) of 500 points.

For senior students: they must have completed 70% of the total credit or of the courses registered in the last two academic semesters.

HOW TO APPLY?

Only via the Internet by completing the Socio-economic Accreditation Form (FUAS) available at www.becasycreditos.cl, once the application process has begun.

HOW IS THIS LOAN ALLOCATED?

The State delivers this in a strict socio-economic order, starting with those applicants in greatest need of funding. The list of preselected students is published in December at www.ingresa.cl

With the preassigned credit, the student must give effect to the benefit by enrolling in one of the higher education institutions of the system (list available at www.ingresa.cl).

Once assigned, the benefit extends throughout the major without the need to reapply. However, each year, upon enrollment, students must undertake the process of renewal of the credit at the institution where the student studies.
